--	------	--

Construction Notes:

- Pocket doors will differ in height (typically lower) than other doors and drawer faces within the same unit.
- Drawer face designs may vary as they are often dependent upon their height. Therefore, two designs may be inherent in the same unit.
- Knob placement is pre-determined. If requested in advance of construction, we may leave off and you may drill & install on your own.

Molding Profiles visit our website for photos of standard selections and optional profiles

Check here to select <u>the Standard Selections:</u> _____ (no additional costs)	-OR-	<u>Optional / Upgrade Profiles</u>

Hardware, Accessories & Other

- All accessories will be shown on the drawing, please verify carefully.
- Unless otherwise noted, grommet holes will be drilled as deemed necessary. If you desire a specific location, please note on the drawing.
- File drawers are typically set up as a lateral configuration.
- Only desk lights are available from CW Inc. and they will contain visible wiring. However, we will work with your electrician for a "hard wired" lighting configuration.
- Countertop seams will be determined by CW Inc.
- It is the final responsibility of the buyer to confirm final fit of all personal belongings (ie TV, stereo, computer equipment, etc.)
