

Name: _____

Area : _____

- It is the final responsibility of the buyer to confirm final fit of all personal belongings.
- CW Inc. does not wire or place any equipment in your cabinets.
- Do not provide a generic tv size (ie 42" diagonal)
- CW Inc. can only provide interior cabinet holes for wires and will not place wires between the drywall and the rear of the cabinet. Therefore, wires may be visible from the front. All base cabinets have an integral, horizontal wire management system for your use. Extra holes and special requests must be shown on the drawings.
- Grommet holes are drilled through the counter top for access to the base cabinets and base cabinet wire management system.
