

Hi, Rob! It was so much fun working on the master sitting room today. It will be gorgeous!

What times are you free to discuss the laundry room? Monday and Tuesday of next week are open for us, though we can work around Wednesday and Thursday, as well. :)

Here is the link to my townhouse slideshow (click on the 'Options' button to enlarge pictures):

The family room and nursery built-ins look beautiful - a definite selling feature. So...thank you again!

Take Care,
Tracy
